# CHAPTER 1

The title of the project is tour & travel . It is a tour organising webpage . This webpage consists of a login page , home page , services, packages, contact us, quick links.

This webpage is created by using

- HTML
- CSS
- JAVASCRIPT

The main objective of the webpage is to attract potential travellers and convince them to book a tour package or avail of travel-related services from the company. Therefore, the webpage should be designed to be user-friendly, easy to navigate, and optimized for search engines.

The homepage of the webpage provides visitors with a quick overview of the available tour packages, popular destinations, and featured activities. The menu bar is easily accessible and includes links to different sections of the webpage, such as about us, contact us, tour packages, and services.

The tour packages section should provide detailed information about the different packages available, including the duration, cost, itinerary, and inclusions. It should also include high-quality images and videos of the destinations and activities covered in the package.

The contact us section should provide visitors with the company's contact information, including phone numbers, email addresses, and physical address. It should also include a contact form that visitors can use to send inquiries or book a tour package.

# CHAPTER 2

## HTML CODE

```

  }  
}
```

### JAVA SCRIPT Code

```
let navbar = document.querySelector('.header .navbar');  
document.querySelector('#menu-btn').onclick = () =>{  
  navbar.classList.add('active');  
}  
document.querySelector('#nav-close').onclick = () =>{  
  navbar.classList.remove('active');  
}  
  
let searchform = document.querySelector('.search-form');  
  
document.querySelector('#search-btn').onclick = () =>{  
  searchform.classList.add('active');  
}  
  
document.querySelector('#close-search').onclick = () =>{  
  searchform.classList.remove('active');  
}  
window.onscroll=()=>{  
  navbar.classList.remove('active');  
  if(window.scrolly>0){  
    document.querySelector('.header').classList.add('active');  
  }else{  
    document.querySelector('.header').classList.remove('active');  
  }  
};
```

```
window.onload={()=>{  
  if(window.scrolly>0){  
    document.querySelector('.header').classList.add('active');  
  }else{  
    document.querySelector('.header').classList.remove('active');  
  }  
}};
```
